INSTRUCTIONS FOR ESTIMATED TAX FOR INDIVIDUALS AND FIDUCIARIES

WHO MUST FILE ESTIMATED TAX. Each individual or fiduciary subject to Georgia income tax who reasonably expects to have gross income during the year which exceeds (1) personal exemption, plus (2) credit for dependents, plus (3) estimated deductions, plus (4) \$1,000 income not subject to withholding.

EXCEPTION. Estimated tax is not required if, under an agreement between the employer and the employee, additional tax is withheld to cover income that normally would require estimated tax to be filed. Individuals whose gross income from farming or fishing is at least two thirds of the total gross income from all sources may: (a) file as the other taxpayers or (b) file their return by March 1, 2006 and pay the full amount of tax due by that date.

PURPOSE OF ESTIMATED TAX. The purpose is to enable taxpayers having income not subject to withholding to currently pay their income tax. Taxpayers are also required to file an annual return claiming credit thereon for amounts paid or credited to their estimated tax.

PAYMENT OF ESTIMATED TAX. Payment in full of your estimated tax may be made with the first required installment or in equal installments during this year on or before April 15, June 15, September 15, and the following January 15. Please include your Social Security number on your check.

HOW TO ESTIMATE YOUR TAX. A schedule for computing your estimated tax is enclosed. Tax rate schedules are listed on Page 14.

PENALTIES. Failure to comply with the provisions of this law relative to underpayment of installments may result in the assessment of additional charges as a penalty. Willful failure to pay estimated tax will constitute a misdemeanor.
